

RenterLink

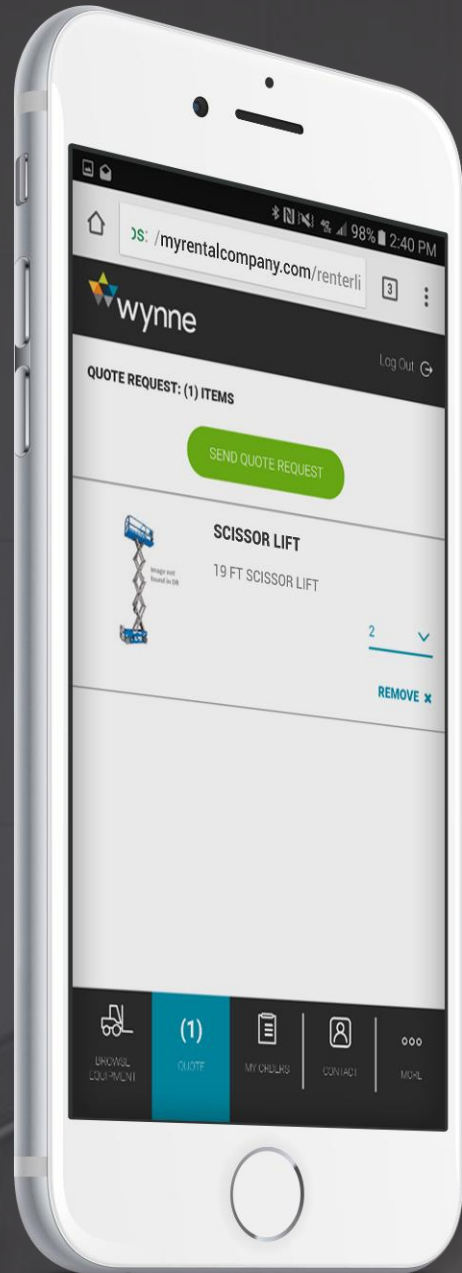

A mobile commerce platform for
equipment rental companies

Stay **connected** with your customers

Built with deep integration to RentalMan, RenterLink can function as a standalone rental mCommerce application that travels with your customer from the office to construction sites and beyond.

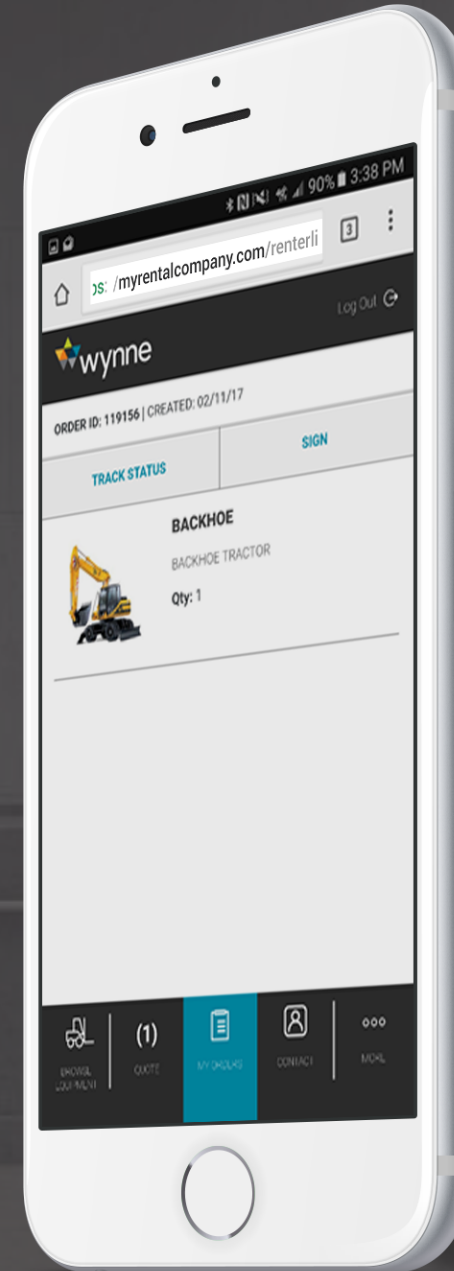

Renting **made simple** for those always **on-the-go**

-  Browse inventory
-  Request rental quotes
-  View branch info
-  Connect with staff

Easy **self-service** on **mobile devices**

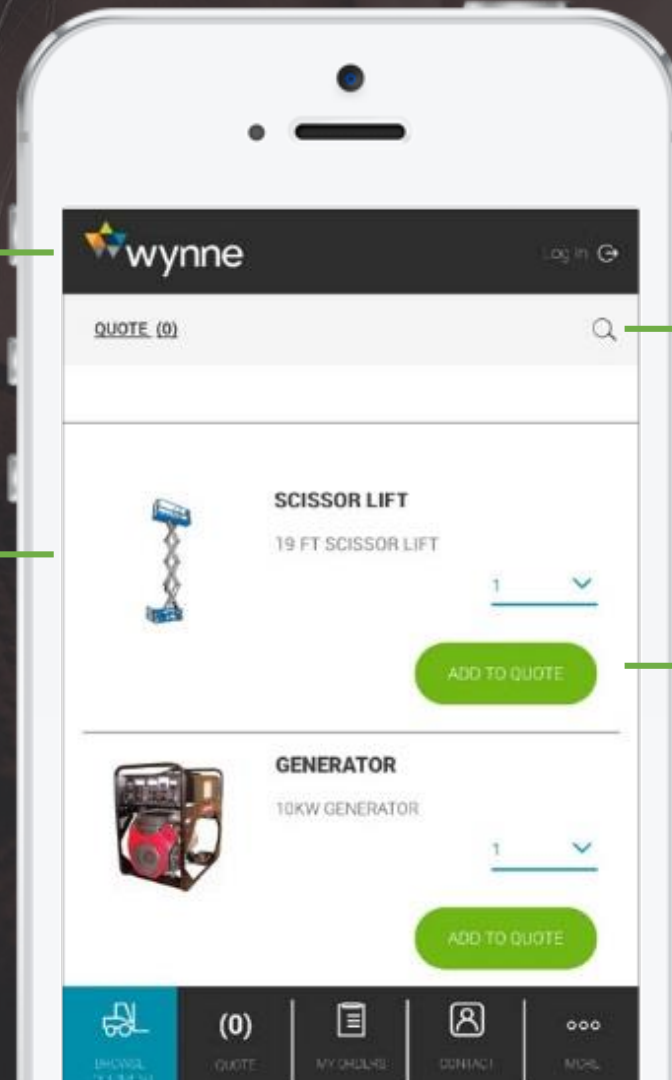

-  View delivery status
-  Receive delivery status alerts
-  Remotely sign for delivery
-  Request pick-ups
